Welcome to A-List

Inspiring a Vision

Welcome to *athome* magazine's ninth annual A-List Awards. Since its debut in 2010, A-List has grown to become the "can't-miss" event of the year for design pros in Fairfield County and beyond. This year was a year of firsts: We introduced a new commercial space category to the roster, received our largest pool of entries to date and launched a **new contest**—the online, real-time **People's Pick** (*turn to pages 39 and 62 to get in on the action*). We've also refreshed the gala itself for 2018, and we're delighted to have our esteemed panel of all-star judges here to present the awards to the winners as well as some partners who will present as well. Due to the impressive number of entries we received, we've expanded the number of categories to twenty to better recognize and reward the caliber of talent that has entered this competition. We wish our finalists the best of luck, and we thank all who entered as well as our judges, emcee and sponsors.

Enjoy the evening!
